My dear Mr Raju,

It was a pleasant surprise to have received ^a letter from you, after such a long time. I am glad you are back home, and continue to be associated with the old address. However, I am sorry, it would not be possible for me to provide you with any important documents concerning the Swatantra Party. I hope you will recall, that I had left the Swatantra Party, before its merger in the B.K.D., and the state office had gone under the control of H.K. Srivasta. I do not know what happened to the office, and the papers that were kept there. I will try to reply to your specific questions, when I receive those.

Wishing you the best of luck in your new endeavour.

Sincerely yours

St Singh

Shri S.V. Raju,
