Dear Mr. Raju,

I have your letter of the 22nd Feb. 1985. I am glad to hear that you have decided to do your Doctorate from the Bombay University on the Swatantra Party for the period 1967 to 1974.

As you may probably remember I was elected as the Treasurer of the Swatantra Party and all the papers that I have with me relate to payments made towards the party expenses which may not be of much use to you. If you need them, I am gladly hand them over to you.

Mr. V.T. Srinivasan was the Secretary and K.H. Srinivasan was the Vice-President of the Bangalore Unit of the Swatantra Party. Both of them are no more. The President of the Karnataka Unit was Mr. Hegde who is also no more.

If you consider that it is necessary for you to meet me, I shall only be too happy to furnish any information that you may require for your Doctorate.

Yours sincerely,

B. V. Narayana Reddy
