My dear Mr. Sreenivasan,

Thank you for your Personal Letter of the 6th. You would have by now received my letter of yesterday's date.

I notice that only 13 members have been elected to the State Executive. The Returning Officer's report is not clear as to whether the State Council decided to have only 13 or a maximum of 20 members leaving 7 vacancies. If the latter, then we must ensure that you are one of the seven to be taken in the Executive.

The National Executive will as usual seek authority to coopt to the General Council on its behalf. The State Executive should then recommend your cooption to the General Council. Meanwhile, you must have already received Dr. Cooper's special invitation to you to attend this meeting of the Council.

While I am in Bangalore and particularly on the 16th, I would like to have a chat with you on the above and various other matters.

Yours sincerely,

(S. V. Raju)

My dear Raju,

Our S.C. Elections were held

yesterday and the results are being posted to you by Dr Harde from Madras today. I myself proposed Ghonpade to be the Gen. Secy (as he was extremely keen on becoming that) and he was elected.

I only wished to be an ordinary Member of the State Executive (for the sake of Continuity) and of the G.C. (of which I have been a Member all along. But would you believe it? The President himself refused to include my name in both the lists which he had prepared!

Comment is needless.

In view, however, of Dr Gosper's letter that I must continue to be in charge of the G.C. meeting arrangements which are already under way, I have

to Continue to be in charge of the duties
of the Gen. Secy. for another 2 to 3 weeks.

Yours sincerely,
W. S. S. S. S. S.

To Sir S. N. Raju.
