Dear Howard,

Thank you for your letter of June 18 just received. I am happy to know that you will be in Bombay on September 24th. I will be in Bombay then and will contact you at your hotel.

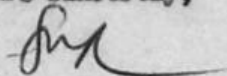

Our office is very much functioning despite what you call the 'disaster' and what I would describe as a setback. After all there is more than one view as to whether the defeat of the democratic opposition in India was genuine or contrived. This is not the first time in history that such a thing has happened, nor will it be the last.

The Swatantra Party is very much in the picture and we shall keep fighting.

Looking forward to seeing you and the family.

With kind regards,

Yours sincerely,

(S. V. Raju)
