Bombay,
May 15, 1971

Dear Mr. Raju,

Thanks for your letter of the 10th inst. I am glad to know that you have received my previous communication addressed to you at Ooty and Kodi.

Dr. Cooper is expected to return to Bombay on Monday, the 17th of May.

We are glad to hear that you are having a good holiday and we are all looking forward to seeing you come back fully refreshed after the tiring work you have had just before leaving.

You state that you will be resuming office on the 25th. I was under the impression that you are not due till the 26th as your leave actually begins from the 26th of April. However, I will send you the relevant papers at your house on the 24th as desired.

Sukhiji is proceeding to Delhi to attend the Conference of Trade Union leaders sponsored by the Labour Ministry, Government of India. He is leaving on Monday the 17th and will be returning to Bombay on Saturday, the 22nd.

With regards from us all,

Yours sincerely

(A.X Coelho)

P.S. We have received the Mark Sheet of Miss Kusum Land, SSC. Exams for which we had written to Poona. Please advise if PhotoStat copies should be made out of the originals (in which case they should be sent directly) or whether only one copy should be made.

Happy to hear that your car has not given you so much trouble on the journey. Dinshaw says that you are most welcome to have the car after your return. He bashed up his "baby" on his trip from Mahabaleshwar - Bombay, though it was not his fault.

Everything in the office is running v. smoothly - though the Home Front is L - o - u - s - y!
