Dear friends,

As you are aware it had become necessary to file a suit against Messrs. Barot & Co. in respect of premises illegally occupied by him. We record our agreement that in view of the pending dispute before the arbitrator Mr. M.R. Masani the suit should at present be filed by Mr. Parmanand Kejriwal, myself and Raju without referring to the matters raised in the dispute. If the award is in your favour we will apply for amendment of the plaint and have our names incorporated as Trustees who are entitled to file a suit.

Parmanandji and I hope you will accept this.

Yours sincerely,

Girish K. Munshi
