My dear Raju,

Thank you for your letter of April 1. I have also received a letter making a similar request from Parmanand Kejriwal and Girish Munshi. In view of your unanimous request I shall be glad to be the arbitrator. Will you kindly arrange to send me all the relevant papers to enable me to study the problem before I call both sides for a discussion?

With kind regards,

Yours sincerely,

(M. R. Masani)
