3.3. 1977

My dear Girish,

Now that the emergency is lifted and all the parties are coming together I am raising up the earlier question about assets of the party. Our talks have unnecessarily dragged on for a long time without any result. I am therefore addressing you a formal letter which K.H. Sampat and I have decided to address on the subject. The letter speaks for itself.

Yours sincerely,

(S. V. Raju)
