My dear Raju,

Your note of yesterday.

Somehow we have delayed decision over
the subject of Party's Office and assets.

Jayaprakash now seems to be bringing
all parties including J.S. and Congress (O) together
and eventually we may be nearer to the situation
which Maharashtra Unit advocated in the resolution
which Parmanandji moved and I seconded at the National
Convention. If all parties come together the
situation might develop as we desire. If such a
situation does in fact arise - Do you think you,
Sampat, K.H. and persons of your view will have any
objection to the new Party taking over the assets
of the Swatantra Party?

Yours sincerely,

(G.K. Munshi)
