My dear Girish,

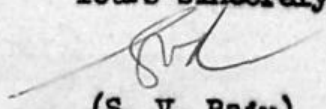

Against my advice and despite my warnings you allowed Piloo to continue to occupy the portion used by the National Headquarters of the Swatantra Party. I am not in the least surprised that he has coolly double-crossed you.

To make sure that he does not resort to more mischief we should at the earliest set up a trust of the assets of the Swatantra Party so that people who do not believe in or care for the Swatantra philosophy do not grab it. I am particularly keen about our premises. You are aware of what Mrs. Gandhi's gang tried on the Jantar Manter office of the Congress (O) after the split.

Please let me know what steps you propose to take in this direction.

With kind regards,

Yours sincerely,

(S. V. Raju)
