January 26, 1963

My dear Masani,

Reference your letter of January 25.

I think I did say that in view of the mutual prejudices it was not wise to try giving the seat to you as in case it went wrong it was likely to be cause for misunderstanding. But Raja Saheb very readily agreed to the objection so readily that I thought he was glad of the objection.

Yours affectionately,

Sri M.R.Masani
General Secretary
Swatantra Party
Bombay
