My dear Masani

You are a brick and have done splendid work.

Your letter enclosing correction in Indian Express and
your typed letter dated 18th giving full story as to Bihar
came duly & relieved me enormously. Ranga's estimate
your wire to him also - This post card is as good
anti-illegal censorship as Raju's insurance and
centre stitching and wiring up & Sealing. This
last described procedure is perfect though ~~costly~~
expensive. Once again you have ~~done a magnificent~~
my congratulations. Yours affly C.R.
