My dear Jagannath Babu,

I have written you a letter- two days before regarding the Jeep of Central Swatantra Party which the Central Bank has aligned. I would request you to think over the matter. *lien*

One of the Representatives of the Central Bank of India, Mr. Bhalla would be going over to Muzaffarpur again to take charge of some more jeeps lying at different places. You know that Raja Ramgarh is not delivering the required Jeep to the Bank and is playing one trick over the other. I want to request you to please assist Mr. Bhalla in getting back all the jeeps on which the Central Bank has aligned. You must be knowing where all the jeeps are lying and with whom. Please give the necessary address to Mr. Bhalla so that these jeeps can be taken hold of. Please try to help the Bank as best as you can.

I am sending a copy of this letter to my Muzaffarpur Office with a request that if you want them to act in any manner they will do so. Please put Mr. Bhalla also in contact with Mr. Gosh of Mehta Kejriwal who will give all assistance.

Please write to me whether something can be done.

Yours sincerely,

Parmanand
(Parmanand Kejriwal).
