My dear Rajaji,

I gather from the Central Bank and the New India Assurance Company that the Raja of Ramgarh is refusing to pay his loan and the interest due to them in regard to the jeep credit. He has dragged the Swatantra Party in and suggested that the Party should be made to pay Rs.27,000 which has accrued by way of interest owing to delay in repaying his part of the loan. Since he is coming to Madras and he may take the opportunity to raise the matter, I thought it better to warn you of this development.

-In this connection, I have seen somewhat belatedly a copy of a letter written by Janki Nandan Singh to Munshi in the course of which there is a reference to other litigation in which the Raja is involved. I attach a copy of the letter.

Yours sincerely,
