Dear Sir,

Overdraft Arrangement

Your letter bearing number O/D 5064 of the 12th June 1962 was received here, unfortunately, when Raja Bahadur Kamakhya Narain Singh had left India for Europe.

As far as I am aware of the transaction repayment against the overdraft account is being made by the Central Office of the Swatantra Party and in the past all payments have been received by you from them. This arrangement as is known to you is to continue till such time that the amount received from you is not fully paid back with interest.

I am surprised to see that the Central Office of the Swatantra Party has not paid the instalment fixed for the month of June.

I am endorsing a copy of this letter to Mr. M.R. Masani and I am sure it will receive his immediate attention.

Thanking you,

Yours faithfully,
