You will recall that on the 2nd of August you and Masani sent me a note (copy attached) outlining the arrangement made in regard to the credit in respect of jeeps and the mode of repayment. I had hoped to hear from you as to when the first instalment of Rs.20,000/- should be paid on your behalf to the Bank under the arrangement made with it, and I am writing to request you to let me have this information as soon as possible. I am anxious to avoid any unfavourable impression being created through any failure in the payment of instalments as and when ^{it} ~~they~~ becomes due.
