My dear Atal babu,

* As promised, I am sending herewith the text of the Draft as finally revised at a discussion which I had with our mutual friend yesterday. You will notice that on Page 11, there is a passage in red pencil brackets for further consideration. We are keen that this should be retained and not dropped.

I am coming up to Delhi for a meeting of the Consultative Committee for the External Affairs Ministry which meets at 9:30 am on Monday, the 29th. It is suggested that this will be an appropriate time for us to meet that afternoon to review developments. Any time after lunch or around tea time will be convenient to me. I shall be returning to Bombay the same evening.

Looking forward to meeting you then,

Yours sincerely,

(M. R. Masani)
