My dear Ashok,

- Morarjibhai and I had a useful discussion
* this morning over the Draft that I had been asked
to prepare.

I was disappointed to learn that you could not
join us in Bombay today. I am therefore sending you
herewith ^{the} text as it has emerged from our discussions.
You will see that I have incorporated some part of
the drafting which you and I had jointly undertaken.

Yours sincerely,

(M. R. Masani)

Mr. Ashok Mehta, MP,
