NOT MY BABY, SAYS MASANI

MADRAS, Jan. 10.—The Swatantra Party president, Mr M. R. Masani, yesterday described the Congress (O)-led four-party front as a "nameless front" reports UNI.

Mr Masani told reporters that the front had a name "Democratic Front" until January 2 when it was deleted at the insistence of the SSP. "Now, it is just a front", he added.

When suggested by reporters to christen the front, Mr Masani asked, "Why should I? It is not my baby".
