Dear Mr. Dandeker,

x | You will recall the conversation we had  
at Mr. Dharamsey Khatau's house on Sunday afternoon  
just before he left for Europe.

It was agreed that I should hand over to  
him on his return a list of contributions we collected  
during the last elections.

I have accordingly sent him a list through  
Raju.

y | Since I am leaving for Europe for a  
month, I shall be grateful if you will kindly follow  
up the matter of collection of funds for the Party.

With kind regards,

Yours sincerely,

*R. C. Cooper*  
(R. C. Cooper)

Dictated by him on 6th  
September and signed for  
him in his absence.
