My dear Minoo,

We are thinking of giving donations from our companies to the Swatantra Party, along with Congress etc. For assisting us in this we would like to have a list of various public limited companies who are giving contributions to the Swatantra Party and showing this in their balance-sheets. Could you please help.

In fact, if the Swatantra Party was maintaining such a list, it might help them in canvassing donations from other people.

With kind regards, I am,

Yours sincerely,

(CHARAT RAM)
