My dear Darab,

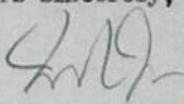

Thank you for your letter of 23rd and the contribution of Rs.250 which you have made. I appreciate your kind response. A receipt for it is attached.

Your pessimism is understandable and I cannot quarrel with it but being a born optimist I try to look at the brighter side of the picture. Anyway as you say one can only try and hope for the best. My own feeling is that the tide is turning and that things will probably improve.

With kind regards,

Yours sincerely,

Encl:
