Mr. S.V. Raju presided over the meeting.

The minutes of the meetings held on 18.6.1998 and 1-12-1998 were read, confirmed and signed by the Chairman.

The meeting discussed the current political situation in the country and the dissolution of the Parliament consequent to an one vote defeat of the ruling coalition Government led by the B.J.P. The Government lasted only about 14 months in power. The meeting took note of the unholy alliances, splits and combinations that are being talked about by various parties, just for the purpose of the forth coming elections to the Parliament. After discussions it was decided not to support any party or group or individuals in the coming elections.

Mr. Raju informed the meeting that efforts are being made to revive and activate the Indian Liberal Group founded by late Mr. Minoo Masani. He informed the meeting that the aims and objectives and principles are similar to that of the Swatantra Party, Maharashtra. The Indian Liberal Group had already conducted some seminars, meetings and work shops at various parts of the country, and proposes to conduct more all over the country. He proposed that the Indian Liberal Group function from the Party's office at 143, Mahatma Gandhi Road, Mumbai. After discussions, the meeting approved the proposal that Indian Liberal Group's office will function from the Party's office.

The meeting then discussed the deep intrusion into Indian territory in the Kargil sector of the Jammu & Kashmir, by Pakistan and occupying vital positions. The meeting also noted the brave efforts by the Indian army to push back the aggressors who comprised of regular Pakistan's army soldiers, mercenaries and terrorists trained, aided and supported by Pakistan. The meeting wondered how such a large scale military action by the enemy went undetected till they made deep inroads into our territory and occupied strategic points in the Kargil and adjoining sectors. The meeting noted this as a VERY SERIOUS AND DANGEROUS LAPSE on the part of the defence intelligence and other intelligence agencies who were unable to detect the insurgency earlier and in time. It was decided to send letters th the Prime Minister, defence minister and the home minister, expressing the Party's concern for the security and defence of the country and lapses committed by the agencies under their ministries. The Party also decided to demand a thorough probe into the lapses and take such steps that such military actions are never thought of by our enemies in future. The meeting also wished good luck to our brave Jawans and the Officers who were performing a great feat under unfriendly climate and terrain. The meeting then observed a minute's silence as a mark of respect and in memory of the brave soldiers and the officers who laid their lives for the country.

There being no other business for discussion, the meeting terminated with a vote of thanks to the chair.
