Draft Minutes of the meeting of the Executive Committee of the Swatantra Party, Maharashtra held on Monday, October 31, 1988 at the Party Office, 143, Mahatma Gandhi Road, Bombay 400 023.-----

Present

Mr. K.H. Subramaniam - in the chair

Mr. J. Venkiteswaran
Mr. L.R. Sampat
Mr. S.V. Raju

Leave of absence was granted to Mr. P.N. Subramanian.

The minutes of the meeting held on October 28, 1987 were confirmed.

The meeting mourned the untimely passing away of Mr. Parmanand Kejriwal, President of the Swatantra Party, Maharashtra. Mr. J. Venkiteswaran, Mr. L.R. Sampat and Mr. K.H. Subramaniam attended the funeral and placed a wreath on behalf of the members of the Swatantra Party.

The condolence message sent earlier to the family members of the late Mr. Parmanand Kejriwal by the General Secretary on behalf of the Committee was read out.

" The question of appointing a President in place of Mr. Parmanand Kejriwal was discussed and it was unanimously decided to nominate Mr. J. Venkiteswaran as the President of the Swatantra Party, Maharashtra. "

The Committee expressed unhappiness with the way the Opposition is going about to form a National alternative. The Janata Dal is a non starter.

The economic policy followed by the present government is not directed towards growth. The present system will satisfy no one because government still controls major economic power. The world's trend towards privatization is in line with Swatantra thinking. Government would do well to follow the example of other socialist countries like New Zealand, Sweden, Italy and Spain.

When efforts are being made by even Socialist countries like the USSR and China to liberalise their economies and streamline the bureaucratic procedures, India is still lagging behind.

The overall economic situation is alarming. The balance of payment position continues to cause concern and the value of the rupee has touched an all time low.

Insofar as Maharashtra is concerned the recent decision of the Chief Minister to reinstate 200 constables guilty of indiscipline in the police revolt of 1982 in the face of opposition from senior Police Officers has to be severely condemned as it only serves to encourage indiscipline.

Matters concerning the office premises of the Swatantra Party were reviewed and line of action indicated.

The meeting then terminated with a vote of thanks to the chair.
