Mr. Parmanand Kejriwal/Mr. Girish Munchi/Mr. K.H. Subramaniam

I understand from the Times of India that Mrs. Sasan Panday has started an Ad hoc Committee called the "Committee for Electoral Rights" on behalf of the Parsi Panchayat. She has given the address as C/o The White Star, 143, Mahatma Gandhi Road.

I am really surprised that Mrs. Panday has not bothered even to mention about her making use of the premises for this purpose. As this may set a bad precedent I suggest that either Mr. Parmanand Kejriwal or Mr. Girish Munchi or both talk to her.

I will be away from Bombay till the 20th January 1981. I shall be thankful to you if you could kindly convey your views to me in this regard.
