Rajaji in hospital

Express News Service

MADRAS, Dec. 17.

Mr. C. Rajagopalachari, founder-leader of the Swatantra party was admitted in the General Hospital today for treatment of uraemia. (Uraemia is retention of waste material in blood).

Hospital sources said there was no cause for anxiety and "Rajaji is responding well. His condition is satisfactory."

Tamil Nadu Chief Minister M. Karunanidhi and Education Minister V. R. Nedunchezhiyan called on Mr. C. Rajagopalachari tonight and enquired about his health.
