Bombay, 4th July 1974.

Executive Secretary  
National Headquarters  
Swatantra Party  
Bombay 1.

Dear Sir:

Re: National Convention of the Party  
to be held at Delhi on 4th and 5th  
August 1974.

We, the following members of the General Council wish to submit that contrary to the normal practice of holding the meeting of the General Council prior to National Convention, this time such a meeting is not proposed to be held. We feel strongly, as many members of the Council do, that a meeting of the General Council before the proposed Convention is an absolute necessity, in view of the serious nature of the matters which the National Convention is expected to consider.

We hope you will make necessary adjustment in the Agenda to include a meeting of the General Council before the National Convention, in the forenoon on 4th August 1974, and issue necessary notification.

Yours faithfully
