My dear Piloo,

Possibly you are not aware that the local people are not keeping up the arrangement that was arrived at in your office in the presence of Dr. R. C. Cooper regarding payment of the share of the rent for the portion used by you.

If you remember, it was on 18th September 1974 and the rent is in arrears from September onwards. I would request you to kindly instruct Mr Bhatia not to keep this small matter pending any more and also to see that he makes payment of rent regularly in future.

With kind regards,

Yours sincerely,

Girish Munshi
