My dear Cooper,

As I will not be present at the meeting of the National Executive where I understand the report of the discussions in Delhi with the Jana Sangh and the B.K.D. will be presented, I think it may not be without some use for you and your colleagues if I share some impressions I have gathered as a result of the negotiations in Delhi. I, therefore, forward herewith a copy of the letter I have sent today to Rajaji. You are welcome to place the letter before the meeting of the National Executive in Madras.

Yours sincerely,

encl.

Dr. R.C.Cooper,
Acting Secretary,
Swatantra Party,
Bombay 1.
