GENERAL SECRETARY'S LETTER NO.113

Dear Friend,

As you are aware, the new system of Workers' enrolment was initiated in March last year and it is now a year and 9 months since it has been in operation. While the Central Office has received register entries in respect of the majority of worker-members enrolled and the Centre's quota of the subscription, it has not heard anything in regard to the renewals, many of which have doubtless become due.

2. We are writing this to request you to let us know the position in regard to the renewal of the subscription of worker members. Specifically, we wish to know how many came up for renewal in 1965 and in what months, and how many have in fact been renewed? Also what steps were made to obtain renewals and, if the position in regard to the renewals is not satisfactory, the reasons why it is so.

3. We would appreciate an early reply from you in regard to this important matter.

Yours sincerely,

(M. R. Masani)

GENERAL SECRETARY
