Dear Friend,

The Central Parliamentary Board of the Party, which met in Madras on June 4 and 5, reviewed the progress made by those Prospective Parliamentary Candidates who had begun the nursing their constituencies more than three months ago. It was noticed that, despite requests from the Central Office, a few had not submitted their reports or accounts or both.

2. The Central Parliamentary Board wishes to emphasise the importance of prompt and adequate reporting and submission of accounts every quarter, in the absence of which it might be difficult to carry on arrangements made to assist in the nursing of the Constituencies in question.

It is therefore hoped that prospective candidates will exercise greater care in ensuring that quarterly reports and statements of account are submitted without the need to be reminded on each occasion.

Yours truly,

(M. R. Masani)

General Secretary.
