General Secretary's Letter No. 100

Dear friends,

It has recently been found that Members of Parliament and members of various State Assemblies are in arrears in respect of Party subscriptions to the extent of several thousand rupees in each case both in Parliament and in the case of more than one State Assembly.

2. In the light of this, it has become necessary to make it clear to State Units and Parliamentary Boards that proposals recommending sitting MP's and MLA's for renomination as prospective candidates will not be looked at favourably unless they contain a statement from the Treasurer of the Legislative Group certifying that the member in question has paid all his dues and is in good standing with the Party. We are sure it will be appreciated that recommendations which are not accompanied by such a certificate can hardly be taken seriously by the Central Parliamentary Board which has stressed the need for selection of good men who are capable of being disciplined members of the Party.

Yours sincerely,

(M. R. Masani)
General Secretary
