Dear Friend,

It is necessary that bank accounts be opened by prospective Parliamentary candidates to operate the funds that will be made available for nursing their constituencies. Not only will it make it easier for the remittance of funds by mail transfer but it will also enable the 3-man Committees to keep a proper account.

2. From our records we notice that this has been done already in some constituencies. Kindly therefore also get it done in your Constituency and inform us the name of the Bank, the Current Account number and which of the members of the 3-man Committee have been authorised to operate the account.

An early reply will be appreciated.

Yours sincerely,

(M. R. MASANI).
