GENERAL SECRETARY'S LETTER NO.96

Dear Friend,

1. It has recently been found that because of lack of consultation with the Central Office and the necessary coordination, two State Units of our Party have fixed their State Conventions over the same week-end. The Office - Bearers of the Party, even with their keen desire to be present at both, are unfortunately not capable of achieving the feat of being at two places at the same time! From other points of view also, it is desirable that State Conventions should be held after consulting the Central Office and receiving its comments.
2. Will Presidents and General Secretaries of State Units kindly therefore remember to consult the Central Office in advance in regard to any decisions they take of this nature ?

Yours sincerely,

(M. R. Masani)
General Secretary.
