GENERAL SECRETARY'S LETTER NO.95

Dear Friends,

As you are aware, the recent meeting of the General Council took certain decisions in regard to the future organisation of the Party. Among such decisions, incorporated in my proposals to the General Council, was one to establish a Women's Wing of the Party.

I am happy to inform that Mrs. Sosan Panday, a member of the Bombay Executive Committee, has kindly agreed to help the Central Office with the organisation of a Women's Wing of the Party.

I am writing to request that you and your colleagues give Mrs. Panday every assistance and cooperation in developing this important work which has so far remained altogether neglected. Mrs. Panday will get in touch with you in order to ascertain who are the women workers of your Party whom she should contact and she will also in due course try to pay a visit to your State. I am sure you will appreciate the value of this work in helping you to develop the organisation of the Party in your State and will kindly give Mrs. Panday as our representative your wholehearted cooperation.

Yours truly,

(M. R. Masani)
General Secretary.
