General Secretary's Letter No. 162

Dear Friend,

The National Executive of the Party has by Circular decided upon the ratio of representation on State Units on the General Council as follows :

3 for the first 400 Workers/Life Workers/Life Members, and one representative for every additional 150, subject to a maximum of 20 and a minimum of 3 as laid down in Clause 9(b) of the Party's Constitution.

In the light of the enrolment figures verified as duly enrolled in your State, the number of representatives of your State Unit on the General Council will therefore be _____.

As already intimated, the State Council will have to elect your Unit's representative on the General Council at a meeting of your State Council to be called between October 15 - 30.

In this connection, the names with complete addresses of all representatives so elected to the General Council should be communicated to us immediately following their election so that timely intimation can be sent to them in regard to the first meeting of the General Council to be held in the latter half of November.

We shall intimate to you in the first week of October the name of the person nominated by the National Executive to preside over the meeting of your State Council.

Yours sincerely,

(N. Dandekar)

Officiating General Secretary
