CENTRAL OFFICE CIRCULAR NO. 78

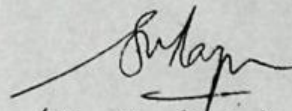

Dear friend,

You may perhaps have seen a Press Report that 16 Members of Parliament including Prof. Ranga and Mr. Masani of our Party have called on the people to observe July 2 throughout the country as the day to express the nation's indignation against Chinese Communist indignities and against the Indian Government's supine policy and to demand the severance of diplomatic relations with China. The idea is that we, the Jan Sangh and the two Socialist Parties should get together on that day.

Since there isn't much time between now and July 2, will you immediately, on receipt of this letter, get in touch with the local units of the Jan Sangh, the PSP and SSP and arrive at a programme for jointly observing that day?

We shall appreciate a report so as to reach us by July 6.

Yours truly,

(S. V. Raju)

Executive Secretary
