CENTRAL OFFICE CIRCULAR NO. 77

(To Members of Parliament only)

Dear friend,

You must have received issue No. 9 of Swatantra In Parliament which is a record of Swatantra participation in the first Session of the Fourth Lok Sabha. It must be confessed however that the issue does not truly reflect the participation by our members in the proceedings of either House of Parliament in as much as it does not report on questions asked, call attention notices, etc.

In order to ensure that Swatantra In Parliament really does present a complete picture of our work in Parliament, we are writing this to request you to keep us informed of your work in Parliament, whether it be in the form of questions asked, resolutions tabled, speeches delivered etc.

We would also appreciate your sending us immediately after delivery the texts of your speeches. Our Parliamentary Office does of course send us your speeches but since there are so many to be typed there is a time lag between the delivery of your speech and the time we receive it, hence this request to you.

Incidentally, could you let us have your address in Delhi ?

We do hope we can look forward to your cooperation in our effort to give greater publicity to our work in Parliament.

Yours sincerely,

(S. V. Raju)
