Dear friend,

As you are aware, due to pressure of work, the Swatantra Newsletter had suspended publication since July 1966. It will resume publication from June 1967. While, due to lack of time it will not be possible to include news from State Units in the June issue, may we kindly request you to resume sending us reports of activities of the Party in your State so as to reach us by the 10th of every month for inclusion in the Newsletter the following month. Thus, we would expect to receive from you by June 10, reports of your activities for the month of May which will be published in the July issue. We trust you will let us have your reports regularly and on time.

Yours sincerely,

(S.V. Raju)

Executive Secretary
