GENERAL SECRETARY'S LETTER NO. 150

Dear friend,

3981

In response to our circular letter to you of 4th March regarding vacancies to the Rajya Sabha that might arise from your State, we have so far received replies only from two State Units, namely, Andhra and Gujarat. We thought we would write this letter to you to impress upon you the fact that a final decision in regard to the nomination of the Party's candidates to the Rajya Sabha can only be made by the Central Parliamentary Board on the recommendation of your State Parliamentary Board which should be made well in advance to enable the Central Parliamentary Board to do full justice to your recommendation. This is a matter that has to be taken seriously.

Will you kindly, therefore, convene an immediate meeting of your State Parliamentary Board to discuss this issue and let us know whether you propose recommending anyone as the Party's candidate to fill in any vacancy to the Rajya Sabha from your State.

Every recommendation should be accompanied by a biographical note on the person recommended - what he has done for the Party, etc. If you like, you may give alternate names in order of priority, if your State Parliamentary Board so desires.

In the event of your not wanting to put up a candidate due to lack of strength in the State Assembly or some other reason, please write to us saying so.

Yours sincerely,

(M. R. Masani)

General Secretary
