## CENTRAL OFFICE CIRCULAR NO. 63

Dear friend,

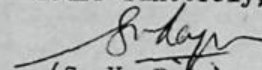

Re: Telephones

Please refer to our circular No. 58 of the 22nd December, 1966.

To help relieve pressure of our existing line we have taken an additional telephone the number of which is 25-2359. This number may be used in addition to number 25-1919 when making trunkcalls to this office.

We would also like to advise you that the number of our Central Office has been changed from 29687 to 25-1424. This is for your information only and all trunkcalls should be directed to us at the National Headquarters Office until the elections.

Yours sincerely,

  
(S. V. Raju)
