Dear Friend,

It is the common practice to play Gramophone records before the commencement of public meetings.

We learnt however that it was necessary to obtain permission for the playing of recorded music from the Phonographic Performance (Eastern) Private Limited, Calcutta. We therefore wrote to them in this matter and are glad to inform you that they have granted us a general permission * to play records in public before each meeting. We are enclosing herewith copy of their letter to us of the 10th December, 1966 for your information and record.

Yours truly,

(V. P. Bhatia)
