

We under estimated our enemy. We kept in view.

Mr. Ghanshyambhai Oza- we forgot Russia's keenness to defeat Masani through Indira's agency over confidence- Jai Hind Propaganda against us.

Mr. Masani's defeat:

1. Too much trust was placed on persons who were interested in their chunk of the 'Cake' than in Masani's Victory.
2. Inspite of being warned about the Congress betrayal he trusted Congress partners too much. All each & every Congress man was against us. No one worked for us. Mr. Vallabhbhai Patel was more honest than the double crossers.
3. Mr. Oza fought his election with our men, money and machinery.
4. The Congress senior partners were more relied upon than our sincere workers.
5. Common man's anti Morarji instinct came in the way. Imemorable people asked me "How can a Masani Saheb join hands with Morarji."
6. Morarji's vominting venom at a lady caused discomfort. In our Society woman is respected, he went on and on abusing her this enraged women who voted for Indira.
7. At Rajkot meeting Morarjibhai threw mud at her while she gave a appealing programme that went to the heart of people.
8. Mrs. Masani's statement and campaign for Mrs. Subhadra Joshi came seniously in his way for 2 reasons.
 1. People labelled him as a double faced opportunist who wanted to keep his finger on both the pies.
 - ii. If he can not convince his own wife and command her confidence how can the people put faith in him.
9. Jan Sangh alliance took away the muslim votes.
10. Was Jansangh Sabotage responsible for poor voting in Rajkot? No we could have done better on our own we knew

about Jansangh's attitude from the very beginning. Even before this election our relations were strained than why did we not work to catch more votes.

iii. Mrs. Chiman Shukla recently lost even in municipal election. If Jansangh was so powerful to give us a defeat- Chimanbhai Shukla could have managed to get his wife a victory in a small ward. I refuse to give them the credit.

iv. After knowing them we ought to have worked seriously and sincerely.

v. We foolishly wasted our pound to oblige people wasted a few hours in dramas and plays. This much time could be better utilized in personal contacts and door to door canvassing. Both, the time and money saved this way could have brought better dividends.

11. We had Rajkot and other towns in hand which we allowed to fly away in our efforts to catch villages we lost Rajkot chamber of commerce because of our alliance with Congress.

12. In Rajkot we were down by 12000 what does this mean? Rajkot gave us 27000 plus last time, Rajkot dealt, the final blow why? because of our own faults- each one turned "Brutus".

1. Upleta: Who from 15000 lead promised, we were down by nearly 4000. If Jerambhai Patel worked sincerely could this happen?

2. Dhoraji: Communal votes went away but even the Kanbis voted for Oza yet quite a few business Muslim Votes have come to us.

3. Jetpur: If the word Betrayal and UNSCRUPULOUSNESS has meaning than it's JETPUR CONGRESS. No wonder they did not want our people.

4. Kandorna Ladhubha worked hard but he too was betrayed by Congress.
5. Gondal, entrusting the machinery to inefficient lady who made mess of things went on telephoning and reporting about Congress partners who were betrayal ladies. But a lady can not be taken seriously. She are suspicious by nature. If Congress workers were sincere than why did they always avoid. Swatantra people they tried to give false timings of meetings so that we could not attend.

A closed meeting was arranged at Gomta and to avoid us it was finished two hours before shedule. A person Japa Jivraj who attended it came and told me that after this meeting the mood and air of the village ~~and~~ changed. Mr. Jerambhai Patel was there. I have started doubting every one including myself.

1. Village meetings organised by us were successful- theirs failiure any way- on the last day of poling~~ix~~ if they have at all worked with sincerity atleast they would like to see how the polling is going on here no one came out. I wonder if they came out to cast their votes even.

All our money spent only obliging favorites sincere workers like Balobhai Patel M.L.A. were put into difficulties- Inspite of all these :

Gondal: is half way better than Upleta, Dhoraji, Jetpur, Rajkot Wankaner, Jasadan suffered because people lost faith in Yuvraj Saheb who defected.

Kotda: Muslims voters played false.

Wankaner: but for the Momnas we would have funed well.

Gujarat Party forgot all about All India President No help, neither men, money nor papers came for Rajkot.
