GENERAL SECRETARY'S LETTER No. 143

Dear friend,

The Central Parliamentary Board met in New Delhi on November 5, 1966.

The Board expressed its dissatisfaction with the pace of nomination of prospective candidates to Parliament and State Assemblies in many states. It, therefore, called upon State Units to expedite the process of recommendations. It expressed the hope that the bulk of nominations would come in before the National Convention in December and fixed 10th December as the last date for the receipt of nominations of candidatures to Parliament and State Assemblies.

Yours sincerely,

(M.R. Masani)
General Secretary
