GENERAL SECRETARY'S LETTER TO PROSPECTIVE PARLIAMENTARY CANDIDATES No.9

Dear friend,

As part of our Party's publicity campaign, there is a proposal to produce a ten minute 16 mm documentary film depicting the present conditions and what the Swatantra Party would do for the country if returned to power. While it is comparatively easy to produce such a film, the problem is in regard to its distribution. We are writing this, therefore, to find out from you as to whether you will be in a position to utilise the film by securing the necessary production facilities, in other words, a 16 mm projector along with a transformer and a screen which could be taken round the various villages in a vehicle. The film of course would be supplied to you free of cost.

A quick reply will enable us to take a decision in this matter.

Yours sincerely,

(M.R. Masani)
General Secretary
