GENERAL SECRETARY'S LETTER NO. 132

Dear Friend,

We wish to compile a list of former Princes, Zamindars, big-businessmen etc., who are members of the Congress Party. For this your assistance is necessary. Could you kindly therefore put someone on the job to do a little research into this and let us have the information called for in the following manner :

1. Name
2. Description (whether ex-Prince, Zamindar, big-businessman)
3. Whether a member of the State Legislature or of Parliament.
4. Position in the Congress hierarchy.
5. Any other information that might be of interest.

Once before, some years ago, the Central Office had written to you but was unfortunately not able to elicit the necessary information in regard to this. The factual compilation of the presence in the Congress Party of people in the above category would provide us with material to rebut the charge against us that we are a Party of Princes, and capitalists. Do therefore take this request seriously and let us have the information so as to reach us not later than the 15th of September, 1966.

Yours sincerely,

M. R. Masani
