CENTRAL OFFICE CIRCULAR No. 50

30th July, 1966

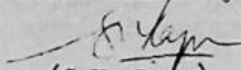

Dear Friend,

To ensure that literature printed by us is made effective use of by the Party's prospective Parliamentary candidates, Field Organisers and 3-Man Committees, we are now working out a scheme for their distribution as and when printed by this office in English and the regional languages.

Instead of the present practice of sending literature to Organisers and separately to prospective candidates, we would like you to let us have the address where such material could be sent. Such an address must be accessible to the Prospective Parliamentary candidate, Field Organiser and the members of the 3-Man Committee. I presume that the address that you will give us would be that of the Parliamentary Constituency office.

Kindly also let us know in whose name this literature should be addressed and the language/s in which this is desired. An early reply will be very much appreciated.

Yours sincerely,

(S.V. Raju)

Executive Secretary
