GENERAL SECRETARY'S LETTER No. 127

July 11, 1966.

Dear Friend,

As you are aware, there are a large number of people who get left out of Electoral Rolls due to various reasons.

2. In other countries, considerable importance is attached to the placing of people on the Voter's List by members of various political parties and this becomes a major activity for Party workers. In our country, unfortunately, most Parties neglect this activity. We should therefore steal a march over them by undertaking this activity with great zest. This will give us a great deal of goodwill from those we so register.

3. Will you kindly send out instructions to all your District Committees and 3-Man Campaign Committees to take the necessary steps in the matter as Electoral Rolls are becoming available for filing objections in various States commencing 1st August. Please, therefore, treat this as urgent.

Yours sincerely,

(M.R. Masani)
General Secretary
