Yours of 16th June 1966.

Immediately on receipt of the confirmatory copy of your telegram (telegram itself having not been received as yet), I confirmed to the Prime Minister's Private Secretary about your meeting on 22nd June at 5.-- pm. The appointment was tentative as your confirmation was needed. I am sure, the discussion is/likely to exceed one hour, that is, you should be free definitely by 6 pm. to leave for the airport to catch your plane for the return journey to Bombay.
