My dear Raju,

Thank you for your letter of 13th.

Presuming that there will be some contraversial issues in the General Council meeting the combined meeting of the State executive and general council members at Calicut took the following decisions:

1. The General council members from Kerala should demand at the Delhi meeting:
Party Chairmanship and Parliamentary party leadership must not go to the same person.

There should not be any understanding direct or indirect with the right and left communists in the name of "Non-Congressism".

2. The executive requests the central leaders to retain the membership of Mr.K.K. Kuruvilla in the National Executive.
3. Mr. Sebastian Paikada, President of the State unit will be the leader of the delegation and he will speak before the council officially about the affairs of the state unit.

Executive also passed a resolution on the present political situation of the state, a copy of the press report is enclosed.

Thanking you,

Tah

Sincerely Yours,
